PROJECT REFERENCE

— It's time to save the world!

BORN IN GERMANY

AE Solar was founded by Dr. Alexander Maier and his brothers in Königsbrunn, Germany. AE Solar is one of the leading manufacturer with annual capacity over 1.8 GW providing high-quality products and services since 2003.

**1.8GW
PER YEAR**

10 years in manufacturing around global. Total manufacturing capacity reached over 1.8 GW. New factories with capacity over 5 GW have planned.

**3200+
PROJECTS**

Since 2003 AE Solar provides superior services to the clients and we are proud that in 2023 we have reached more than 3200 successful installations and commissioning of solar projects.

**95+
COUNTRIES**

Distributorship network representation and sales in more than 95+ countries.

**20
YEARS**

We have professional team of German in-house R&D, engineering and design. Ranked on BloombergNEF PV Module Tier 1 List.
